

Royal Lake of the Woods Yacht Club Progressive Opening of Tennis Play

The RLWYC is committed to fostering a safe environment that promotes the health and wellbeing of our members, our staff and our community. Our rules and procedures fully comply with Federal, Provincial and City public health orders and recommendations. It is imperative that everyone strictly adhere to the new procedures to ensure the safety of all. Members must sign the *RLWYC COVID-19 Member Waiver and Declaration* (link provided on RLWYC Website).

We are very excited to be able to offer tennis to our membership this summer. Phase 1 will be limited to singles and doubles recreational play. As we proceed through several weeks of the club being open, we will then reevaluate to determine the safest way to progress to Phases 2 and 3. We appreciate everyone's patience as we work our way through the myriad obstacles that we are facing while trying to provide as much tennis as possible with safety being the main priority.
